- Guests who are habitually late or who miss multiple appointments may become ineligible to receive services.
- We serve residents of western Henrico in zip codes 23229, 23294, 23233, and 23238. Those currently receiving our services from other areas may continue with us. Otherwise, if you live outside of our zip code area, please call 521-5000 for referral to another pantry.
- Children must be supervised at all times when visiting the pantry.
- Items received from Care Ministries may not be sold or in any way exchanged for profit. However, we are happy for you to share these items freely to bless others if the opportunity arises.
- If you need to make arrangements for delivery or to receive food outside of available appointment times, please call (476-0632) or email (care@gaytonchurch.org). We will be happy to work with you.
- Frequency of visits will be discussed with you at appointments.
- Guests of the Care Ministries food pantry are asked to refrain from using other pantries unless we are closed.
- Your participation in this partnership is valuable. We want you to expect respect, openness, and honesty from us, and we will expect the same from you.
