GAYTON MISSION GRANT APPLICATION

Gayton's Mission Council desires to support those from the Gayton family who are participating in mission opportunities.

After receiving completed applications, the Mission Council will pray over the application at its next meeting and discuss the application based on the following criteria:

- **THE CALL**
We will seek to understand the call that God has placed on the individual or group to seek out God's plan in the world.
- **THE MISSION**
Mission funding at Gayton is provided to organizations and individuals who further the vision and mission in ways that the local church cannot do on its own. Through support of individuals and groups, we want to be able to support those in the Gayton family who are seeking to do the same. The Mission Council will seek to understand how the sponsoring or partner organization (if such exists) fulfills that goal of the council and the church.
- **AVAILABILITY OF FUNDS**
As we only have limited funds available throughout the year, we will evaluate to see what funds are available to support the request.

If you have any questions during this application process, contact Jim Riddell, Mission Council Chairman jim.riddell@gmail.com.
