

Prayer Guide for Gayton Family Mission Trip 2017 - Roanoke, VA

Pray for...

- The team to be Spirit-led in all they do.
- The community to feel the love of Jesus from our group.
- The construction projects to be safe and productive, while building relationships with those they serve.
- Unity among group members and seeds to be planted for the Kingdom.
- The children to know the joy of being the hands and feet of Jesus.
- Actions and words that are pleasing to God and that point others to Christ.
- An awareness that their service is an act of worship and that all they do will glorify God.
- The children we will serve from the Baptist Community Center and the Baptist Friendship House - specifically that we will know how to minister to them in a way that they will respond to.
- Travel mercies.
